

# Be Assured

When your faith is not so faithful,  
    And your trust is not so true,  
And your attitude's so doubtful  
    That you don't know what to do,  
Take a moment to remember  
    What the Lord has done before;  
What He did in other ages  
    He can surely do once more.

If the pantry's almost empty,  
    And the gravy's getting thin,  
And your skeleton is showing,  
    Ask the Lord to work again.  
He fed Israel with the Manna,  
    And Elijah by the crows,  
And so many other people  
    That the good Lord only knows.

If your bills are astronomic,  
    And they're nearly overdue,  
And your overtime is under,  
    Ask the Lord to see you through.  
He made all the clocks run backward  
    When His people needed time,  
And He's always there to help you  
    When you need another dime.

If your age is getting older,  
    And your body's getting bent,  
And your brain has got so scattered  
    That you wonder where it went;  
Think of Joshua and Caleb,  
    Who obeyed the Lord's command,  
And He kept them both from aging  
    'Til they reached the Promised Land.

If your health's become unhealthy  
    And your body's out of whack,  
And you've scarcely paid the doctor  
    When your symptoms all come back;  
Stop and think of all the people  
    That were healed by Jesus's touch,  
'Cause if that is what you're needing  
    He can still do just as much.

Be assured that God is able  
    To put all your cares to rest ,  
And for certain if you love Him  
    He will always do what's best;  
But remember that your problem  
    May be just the thing you need,  
So He might not always solve it  
    Just exactly as you plead.
