

Sons of God!

Sons of God by our adoption,
Children by divine desire,
Chosen as our Father's option;
To what more could we aspire?

Sons of God, joint heirs with Jesus;
"In-Laws" of the Holy One;
Nothing else could ever please us
Like our union with His Son.

Sons of God, born of the Spirit,
Like our Savior's holy birth.
How our ears delight to hear it,
Sons of God, not of the earth!

Sons of God—a triple blessing
Of the Holy Trinity;
Sons of God, by grace possessing
Interest in Divinity.
